Applications Built

Healthy Habits

- A simple habit-tracking app, allowing users who create an account to monitor their spending, diet, and sleep patterns
- Worked on a team of four
- Wrote Handlebars HTML templates, constructed Sequelize models and JSON seed data, & Javascript functionality for form submission
- <https://pacific-meadow-78512.herokuapp.com/>

A Taste From Home

- Search for recipes or nearby restaurants based on keyword and dietary filters
- Worked on a team of five
- Wrote JavaScript for recipe search API functionality, implemented “favorite” saving system for both APIs (Edamam & Zomato), managed group workflow through GitHub
- <https://dorrianweber.github.io/group-6-project/>

Weather Dashboard

- Search by city for current weather conditions & a 5-day forecast
- Built with HTML, CSS, JavaScript, OpenWeather & Moment.js APIs
- <https://dorrianweber.github.io/weatherDashboard/>

E-Commerce Back End

- Built the back end functionality for an e-commerce site by modifying starter code
- Configured a working Express.js API to use Sequelize to interact with a MySQL database.
- Built with HTML, CSS, JavaScript
- <https://github.com/dorrianweber/e-commerceBackEnd>

Work Experience

Identity Coffees (Sacramento, CA)

10/2019-03/2020

Barista | *30 hours per week*

- Prepared drinks for a high volume of guests in a self-directed work environment
- Provided excellent customer service by prioritizing thorough and consistent communication.

Kadiant, LLC (Sacramento, CA)

12/2018-10/2019

Registered Behavior Technician | *30 hours per week*

- Delivered behavior analytic therapeutic services to children with Autism Spectrum Disorder in home- and community-based settings.
- Developed strong professional relationship with several clients (the children), their families, and supervisors for multiple cases.

City Year AmeriCorps (Sacramento, CA)

7/2017-6/2018

Tutor, Mentor, Learning and Development Coordinator | *50 hours per week*

City Year is a national nonprofit that provides full-time service in public schools to improve graduation rates. I served 1,700+ hours at Rosa Parks K-8, where 100% of the 900 students qualify for free/reduced lunch.

- Supported and collaborated with partner teacher to engage a culturally diverse class of 33 sixth grade students in a positive learning environment.
- Planned/facilitated 30 minute tutoring sessions biweekly for 10 students in math and English.
- Mentored 3 students in social-emotional competencies through semiweekly check-ins.
- Differentiated instruction to accommodate widely varying student needs, especially for 2 newly-immigrated English language learners.
- Fulfilled the needs of 20 first & second graders in cooperation with the after-school program.
- Reported academic and social-emotional intervention data to leadership to support organizational goals.
- Designed and led 2 full-day professional development events for 70 colleagues with a team of 7 peers
